T F N Administration, Student Government Make '77 Changes

The Administration started the Meteors back onto the straight and narrow track as early as registration when the revised discipline code was distributed.

The addition of speed bumps along the southwest sides of the school and the renaming of the street along the west end of the school to "Go North" were only two of several changes, which took place during the 1977 academic year. Student Council induced another innovation on Friday, November 15 with the coronation of the Homecoming Queen on the eve of the Homecoming football game rather than on the day itself.

Senior L. Jaranowski examines her schedule to see if she was one of many given a full class day including study halls and lunch periods.

Textbooks fill the cafeteria as students register for the coming year.

Governing Transition, Educational Achievements, Participation, Grading Policies,

The Administration had an interruption during the year with the dismissal of Superintendent David Hamblin. Mr. Paul Radziejewski took over as interim superintendent of district 215 while still holding his present position as TF North principle. Records were also set for the 1977 year which included awards in scholastic and athletic fields. This is the first time the Office Education Association has had 55 members and has captured 43 percent of the area contest trophies. This is also the first year that journalism workshop and creative cooking classes were offered to all Meteors.

In early August morning registration captures B. Hoehn by surprise.

Security And Equality

A new grading system was also devised to compensate for exams being one-fourth of the semester grade. The final examination rule and the new grading system were installed to enable students to observe a college atmosphere. The administration placed special emphasis on "keeping track" of the students and further enforced the increased security with the appointment of an additional dean of students, Mr. Lee Schmoekel.

Seniors selected nominees for the D.A.R. award, and for the first time, TF North chose a male recipient, Joel Moore.

Full day schedules can include a study hall in the library.

Carter, Gilmore, Snow, Flu Puzzle Meteors

Students at Thornton Fractional North High School had time to think on the local, state, and national levels also. One outstanding issue that will mark the year was the presidential race between Democratic candidate Jimmy Carter and Republican candidate Gerald Ford. On November 2, 1976 the American people voted Jimmy Carter the 39th president of the United States of America. Before handing over the highest position in the country to Mr. Carter, President Ford acted on many matters. Granting a pardon to Tokyo Rose for her alleged participation in time of war was only one of several moves.

An epidemic scare arose when a convention of American Legion leaders died of an unknown virus. The nation was quickly started on an inoculation program. The famous Legionnaires Disease, Swine Flu, killed several people and frightened thousands. Another national and local worry was the weather. Blizzard-like conditions and temperature dips

caused many to be concerned. Gas and electric bills soared to outrageous levels and homeowners were urged to dial down their thermostats and conserve electricity.

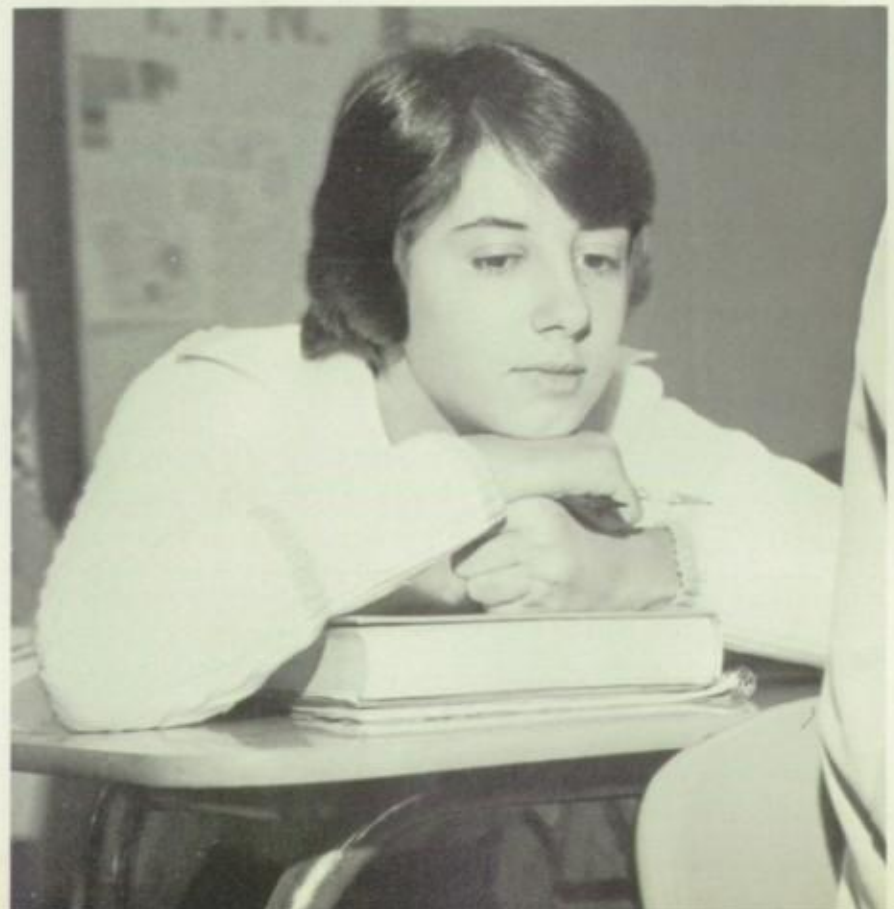

The death of Gary M. Gilmore ended a long legislative ordeal involving the death penalty. Gary M. Gilmore was sentenced to prison for the murders of two gas station attendants, and late in the year of 1976 he denied himself the right to appeal his sentence. Disgusted with prison life, he waited to be executed as his last wish. On Monday, January 17, 1977 Gary Gilmore was shot by a firing squad in Utah.

Mayor Richard J. Daley passed away from a heart attack and left the city of Chicago in an uproar. Many disagreements on how the city should be run and to whom the title of "mayor" should be given were of concern to all Chicagoans.

The world of increasing prices shows still another phase of the year. Boycotts against coffee were staged in all communities. Stores tried to encourage shoppers to purchase tea, milk, and hot cocoa in lieu of coffee. Girls' Club Dance tickets also went up from \$7 to \$8. A local outbreak of the red measles was another matter that plagued the community. Preventive injection centers were established throughout the neighboring cities and those lacking immunity were encouraged to receive the booster. On the local political scene, the mayoral race between Mayor Robert C. Stefaniak and City Clerk, Helen Murray was an interesting one. The Youth Service Bureau was awarded a huge sum of money from the government to finance several new youth programs. With the increased security at McDonalds, students had to find new places to meet their friends after the traditional sport events.

T F North High School maintained its school spirit through cheering athletic teams to several victories, attending social gatherings, and supporting school sponsored charity activities. Students also made the publishing of this 1977 Chronoscope possible.

Keeping thoughts of this memorable year through pictures, artwork, copy and captions will help Meteors "keep track" of their time at T F North.

Drama Club Serves Up 'Dinner' Play

The T F North Drama Club presented "The Man Who Came To Dinner" in the A C Jaacks Auditorium on November 5 and 6.

English teacher, Richard Province directed the play, which was set in the late thirties and told the story of the Stanley family, a middle-America family whose house gets turned into a chaotic menagerie when a world-known radio personality, Sheridan Whiteside (played by Craig Bleakley) convalesces in their home after falling on their porch stairs and breaking his hip.

When Whiteside's personal secretary (Debbie Rice) falls in love with a small town newspaper-man (Bill Pyritz), a series of crosses and double crosses are set up by Whiteside and his secretary, he to get his secretary and the press man broken up, and she to try to keep them together. But love triumphs in the end in a happy compromise. Others in the cast included Hans Summers, Marianne Snyder, April Edwards, David Kersheiper and Mary McWilliams.

The production had some impromptu problems, such as Craig Bleakley falling over backwards in his wheelchair, and Mary McWilliams missing an entrance because she was locked in a closet, but the play was considered a hit by the sparse, but appreciative audiences.

1. Banjo (H. Summers) asks Lorraine Sheldon (M. Snyder), a famous movie star, how her love life is.

2. Returning from a day of ice skating, Richard and Jane Stanley (H. Ganden and L. Cotton) tip toe upstairs to avoid disturbing Whiteside.

3. C. Bleakley "limps" to the curtain call while M. Snyder, B. Pyritz, D. Rice, G. Allred, A. Edwards, and H. Ganden look on.

4. Sheridan Whiteside (C. Bleakley) receives a phone call from Hollywood while his secretary (D. Rice) listens.

5. Lorraine Sheldon (M. Snyder) gets friendly with a drunk Bert Jefferson (B. Pyritz).

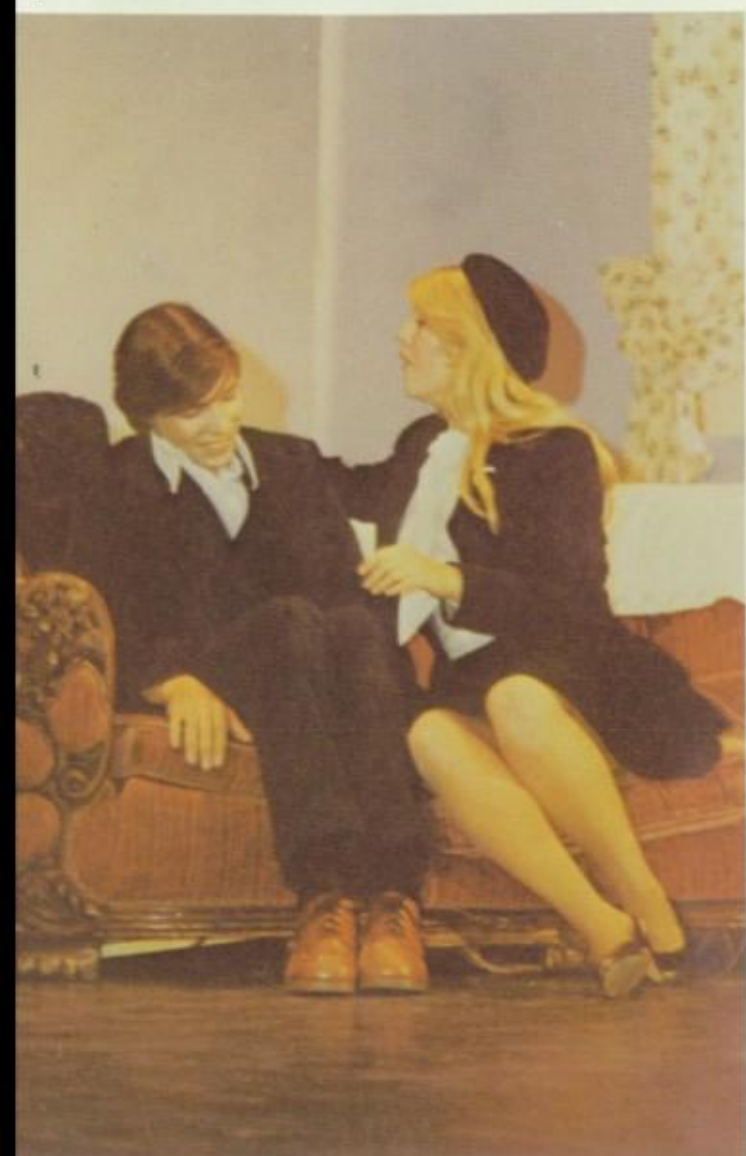

6. Mr. Stanley's strange sister, Harriet (N. Plum) offers Sheridan Whiteside a holly wreath as a present.

Royalty Eases On Down The Road To Carnival

"Carnival wasn't as good as it has been in the past years, the concessions were alright, the dance was fantastic, but some of the audience were rude to the performers."

The annual Carnival was held on Friday, April 29, with the theme of "Ease On Down The Road". Craig Bleakely and Bill Pyritz introduced the acts. During intermission, the Carnival King, Joel Moore and Queen, Karen Paliga, were announced.

There were concessions, sponsored by various clubs, which included a wedding booth, a Farrah Fawcett picture booth, and a delicatessen in the cafeteria.

A high point of the festivities was the Carnival Dance, sponsored by Publications. The dance went under the theme of the 50's, with Johnny Starr and the Meteors performing vintage music.

Paper Changes Format, Gains Blue Ribbons

The **Thorntonlan**, TF North's newspaper, went back to a full size tabloid, with staff members adding actual paste-ups of pages to their responsibilities.

From the National Scholastic Press Association, (NSPA), the paper received a second class rating. The Northern Illinois School Press Association, (NISPA), endowed the publication with three blue ribbons in the areas of Editorials, Features, and Sports.

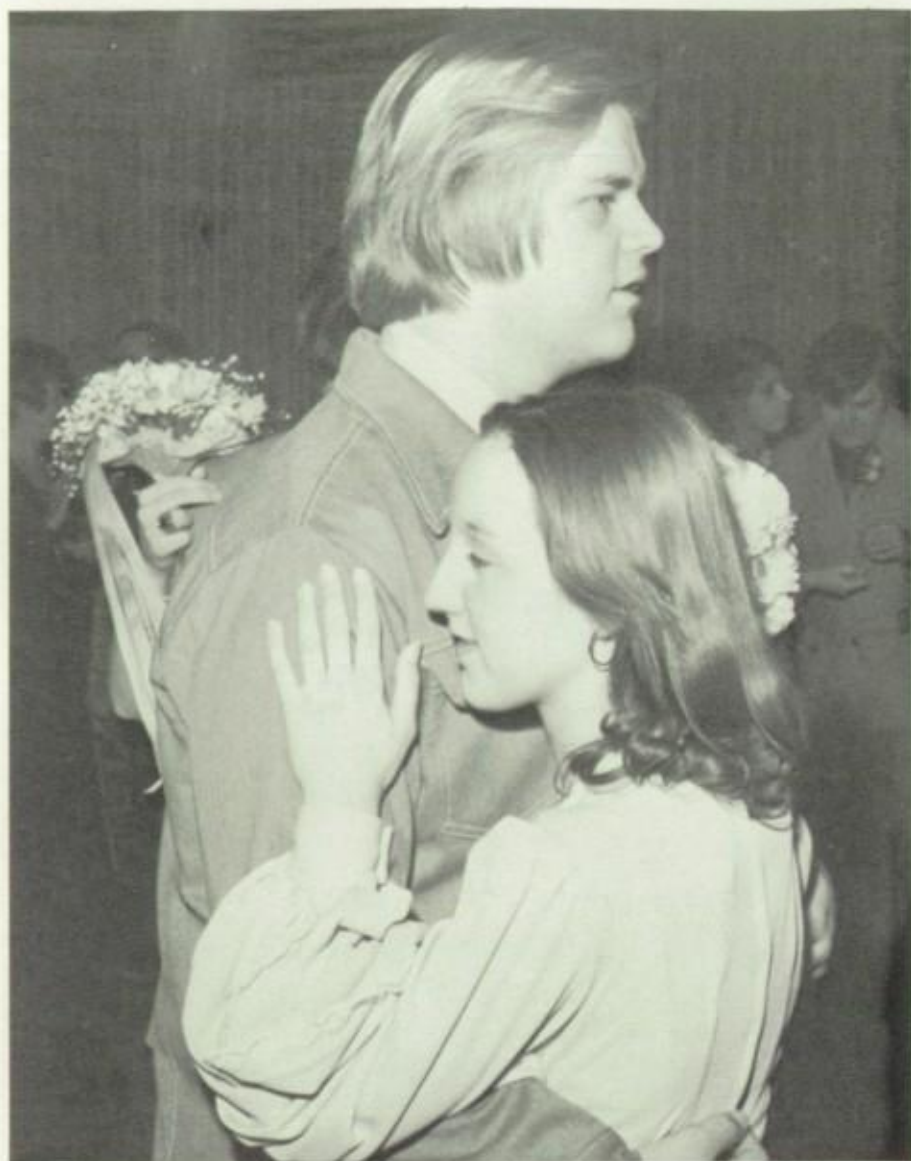

The banquet was held on May 12, at Lauer's In-Town Restaurant, where publication staffers were chosen for Quill and Scroll, an honorary writing society.

Three new members were inducted, with 13 honorary members also added. The Banquet was also the sight where the naming of the new editor's took place. Chet Zdanowski, was named Editor-In Chief for the **Chronoscope**, and Denise Barborek and Bob Reczek were selected as the new Editors-In-Chief of the **Thorntonlan**.

Hampers 'Precious Moments'

Planning for the big Girls' Club Dance began early in the fall, and when January 29, 1977 came around, couples were threatened by snow storms and freezing temperatures. Many students were contemplating the idea of not going to the dance, but a turnout of several hundred proved the evening a success. The T F North Girls' Club initiated its new members at the annual Big-Little Sister picnic during the summer. Active participants constituted the Girls' Club Board, which was quite busy planning events throughout the year. Winning the first prize for their homecoming float, "Let's Have a Golden Kickoff", the club began to emerge as a successful organization. Members also sponsored several fund-raising activities for the benefit of needy families in the community. Sponsoring the Carnival King and Queen competition and the installation of new members at the end of the year made the 1977 Girls' Club complete.

Language Clubs Experiment With Foreign Cuisine

A typical German restaurant was created by the French and German Clubs for TF North's Carnival.

Bake sales and a sucker sale netted the Germans \$45 for club activities.

A skating party at Lynwood Roller Rink and a picnic rounded out the organization's offerings.

Aromas of French delicacies emitted from the language's "cooking class" which members of the club attended.

Spanish club had thirty-eight members whose first major function was organizing an eight-foot Moose as a Homecoming float. Their offering placed third in competition.

Collecting donations for UNICEF, Spanish club students aided needy children. Foreign cooking was also sampled.

During the Christmas season, the yearly party was held at the sponsor's house. Singing traditional songs, breaking pinatas, and motor-cycling were some of the activities enjoyed.

Language clubs suffered the fate of many after-school activities who noted a decrease in attendance owing to the lack of a "late" bus.

There was an increase in both clubs this year with Mat Maids having approximately 40 members and Swim Timers possessing 30 members.

Band Raises Money For Florida Excursion

Selling peanut brittle, performing at Old Chicago, building a Homecoming float and attending the Northern Illinois University Band Festival were just some of the activities enjoyed by the Thornton Fractional North Band.

"Band members' attitude and interest is lending itself to a much improved musical organization", stated Mr. Thomas Suroviak, conductor of the band.

Selected for District Band were Mary Berna, Dave Madon, and Brian Ridge. All fund raising campaigns were used with the intentions of using funds to pay for travel costs to Florida. The group plans to perform for various audiences throughout Florida in 1978.

The girls also sold jewelry to help defray the cost of yearly awards. The profits made were \$380.

Miss B. Sebock served as the squad's new sponsor.

Cheerleaders were also supervised by a new sponsor, Mrs. D. Brandenburg. The pep enthusiasts sponsored a dance earlier in the year. The Pom Pons were required to perform at every home game, while the Cheerleaders showed their everlasting spirit at both home and away games.

200 Add Pep; Friendship Flows In Terrapin

The Pep Club increased in size accumulating almost 200 members. They had a float in Homecoming representing fifty years of football with a birthday cake. They also sponsored one dance and had Fuller Brush sales.

Improving water ballet skills and promoting friendship among its members were the major accomplishments of North's Terrapin club.

Although the club did not increase in size, it added to its activities. Participating in Homecoming, Carnival and bake sales, the club continued to emphasize its image with jackets and sweat shirts which represented the group.

Mock weddings including photos, ceremonies and rings were sponsored by the water women at Carnival in April.

Council Starts New Election System

Student Council started off with a new election system. In the past there had been ten class representatives plus four class officers. By the new system there were ten representatives elected from which four were chosen as officers.

Another change was the crowning of the Homecoming Queen. Instead of making the announcement during the halftime activities, there was a Coronation ceremony held the night before the game.

At Christmas time, Student Council encouraged a toy drive for all the needy children in the Chicago area.

The Council worked along with Boys' Club to sponsor the annual Battle of the Bands Concert.

As the year drew to an end, the annual Walkathon, hosted by the Council, started off with a rally at John's Pizzeria for the Board members and turned out as a complete success.

Blood Drive Aids Community, 5 Go To L. A.

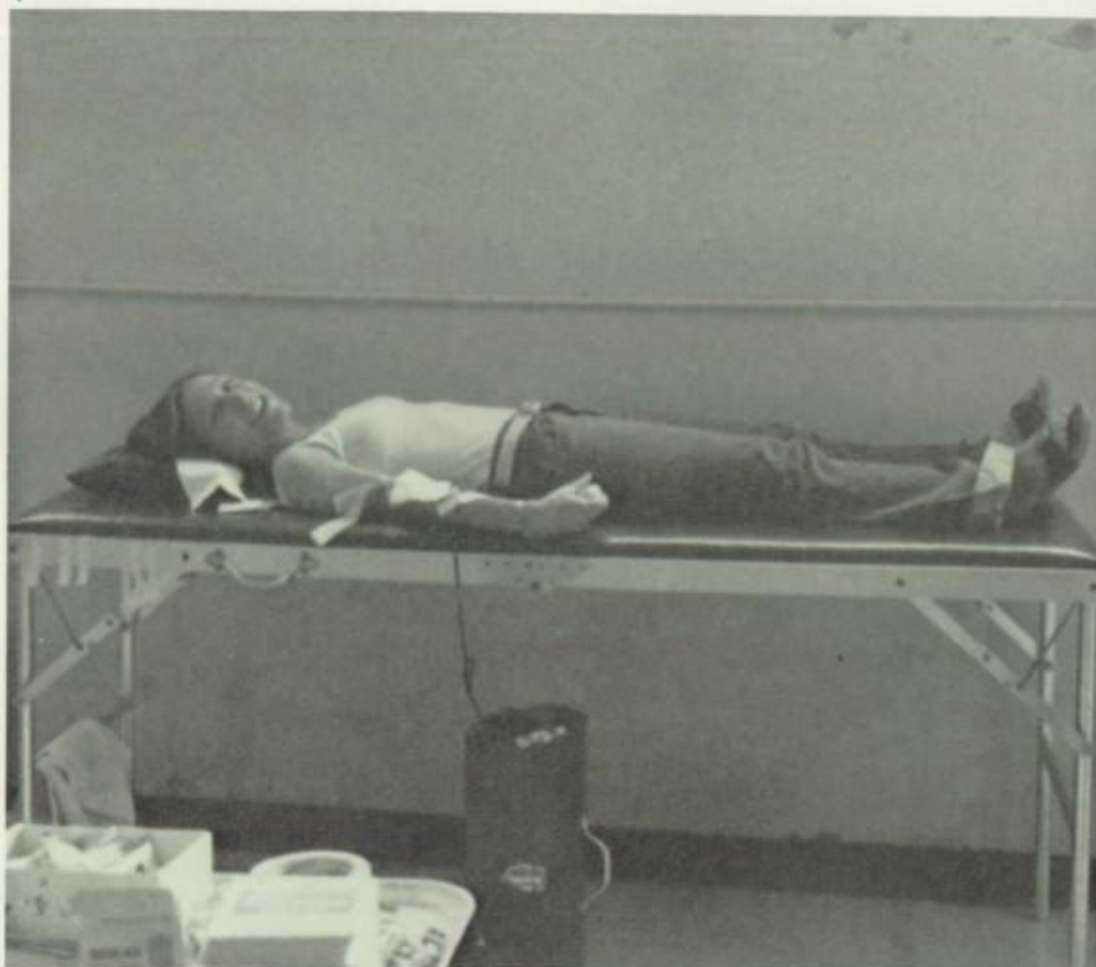

This year the Distributive Education club had thirty members first semester and twenty-five second semester. The activities that were included throughout the year were Parents' night, a DECA promotional week, and various other activities.

The club also attended area and state planning meetings. DE conducted two blood drives this year, one in November, in which they collected 77 pints of blood. There was also one in May where 64 pints were gathered.

TFN DE, State First place winner, D. Freudinger, traveled to Los Angeles, California to compete in Food Services, taking four other TFN delegates.

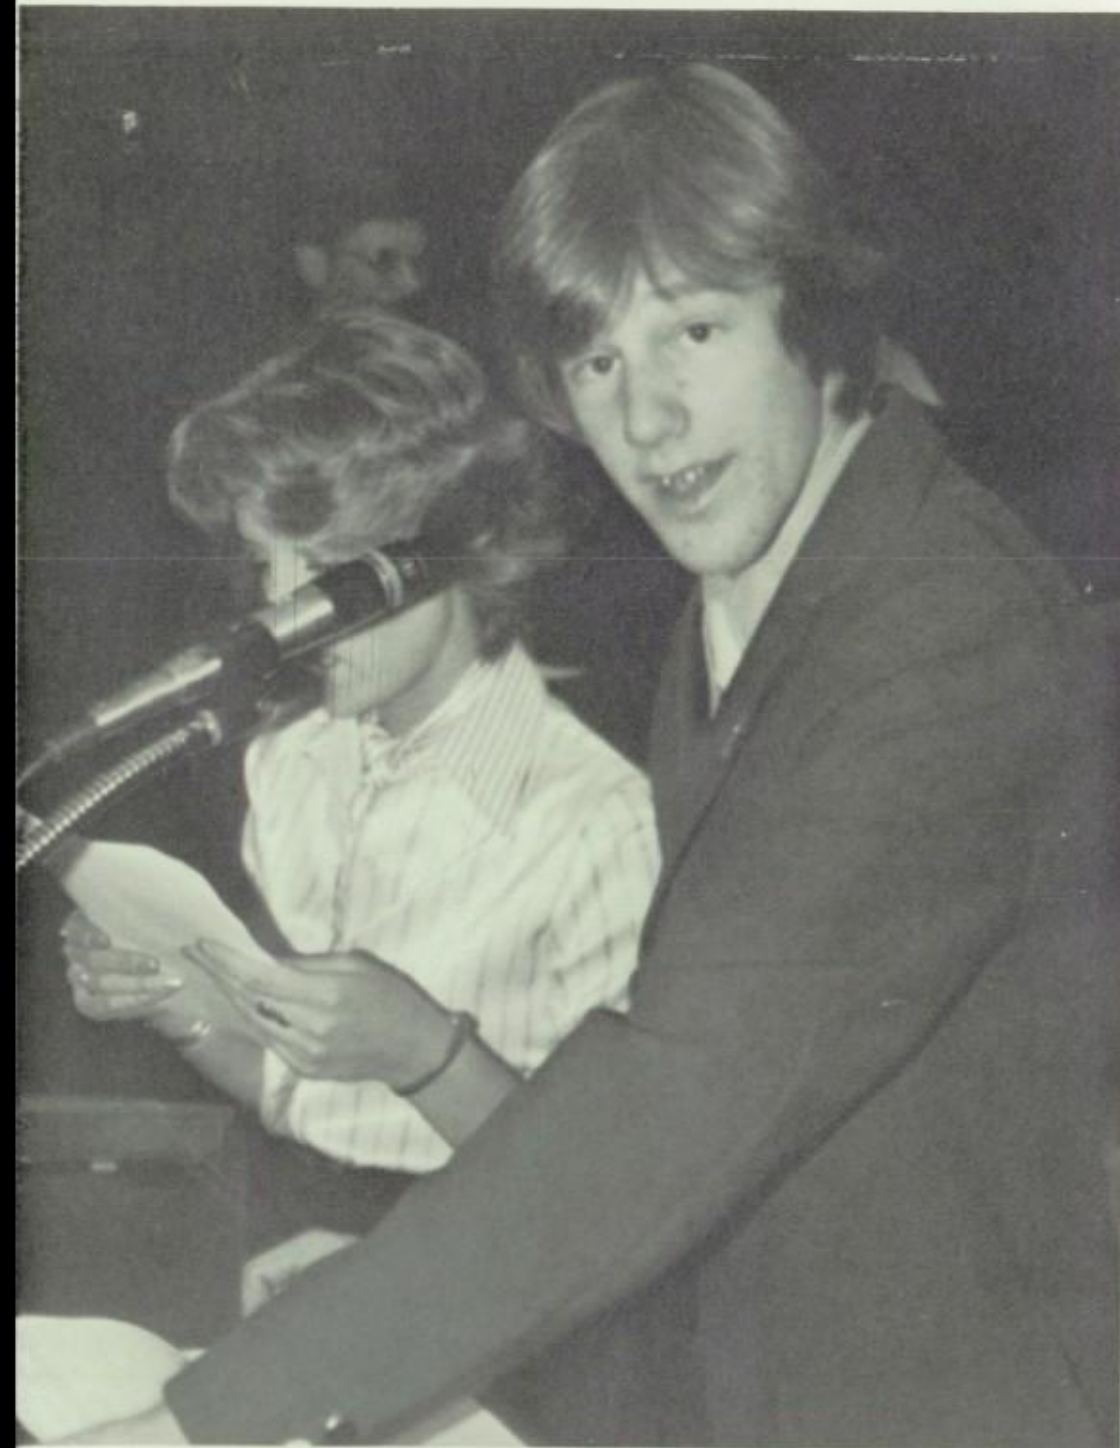

At the end of the year they held their annual banquet at the VFW Hall in Calumet City. Judy Lessner received Most Outstanding DE student and Terry Porwit captured Most Promising Junior.

Record OEA Club Raises Trip Money

A record group of business students helped make the Office Education Association (OEA) the enthusiastic group it was and secured the position of second largest chapter in the state.

The clubs' fifty four members led by coordinators R. Ciastko and S. Drilling took part in several fund raising projects. Selling fruit, with the other co-op clubs and offering stuffed animals for sale during Christmas and Easter seasons earned the organization extra money.

The business career organization also sponsored a roller skating marathon, April 7, to benefit students traveling to Houston, Texas for the National competition.

Laura Schuster received first place honors at State, placing fourth in the National competition.

At the Employer Appreciation banquet in May, several students and employers were honored.

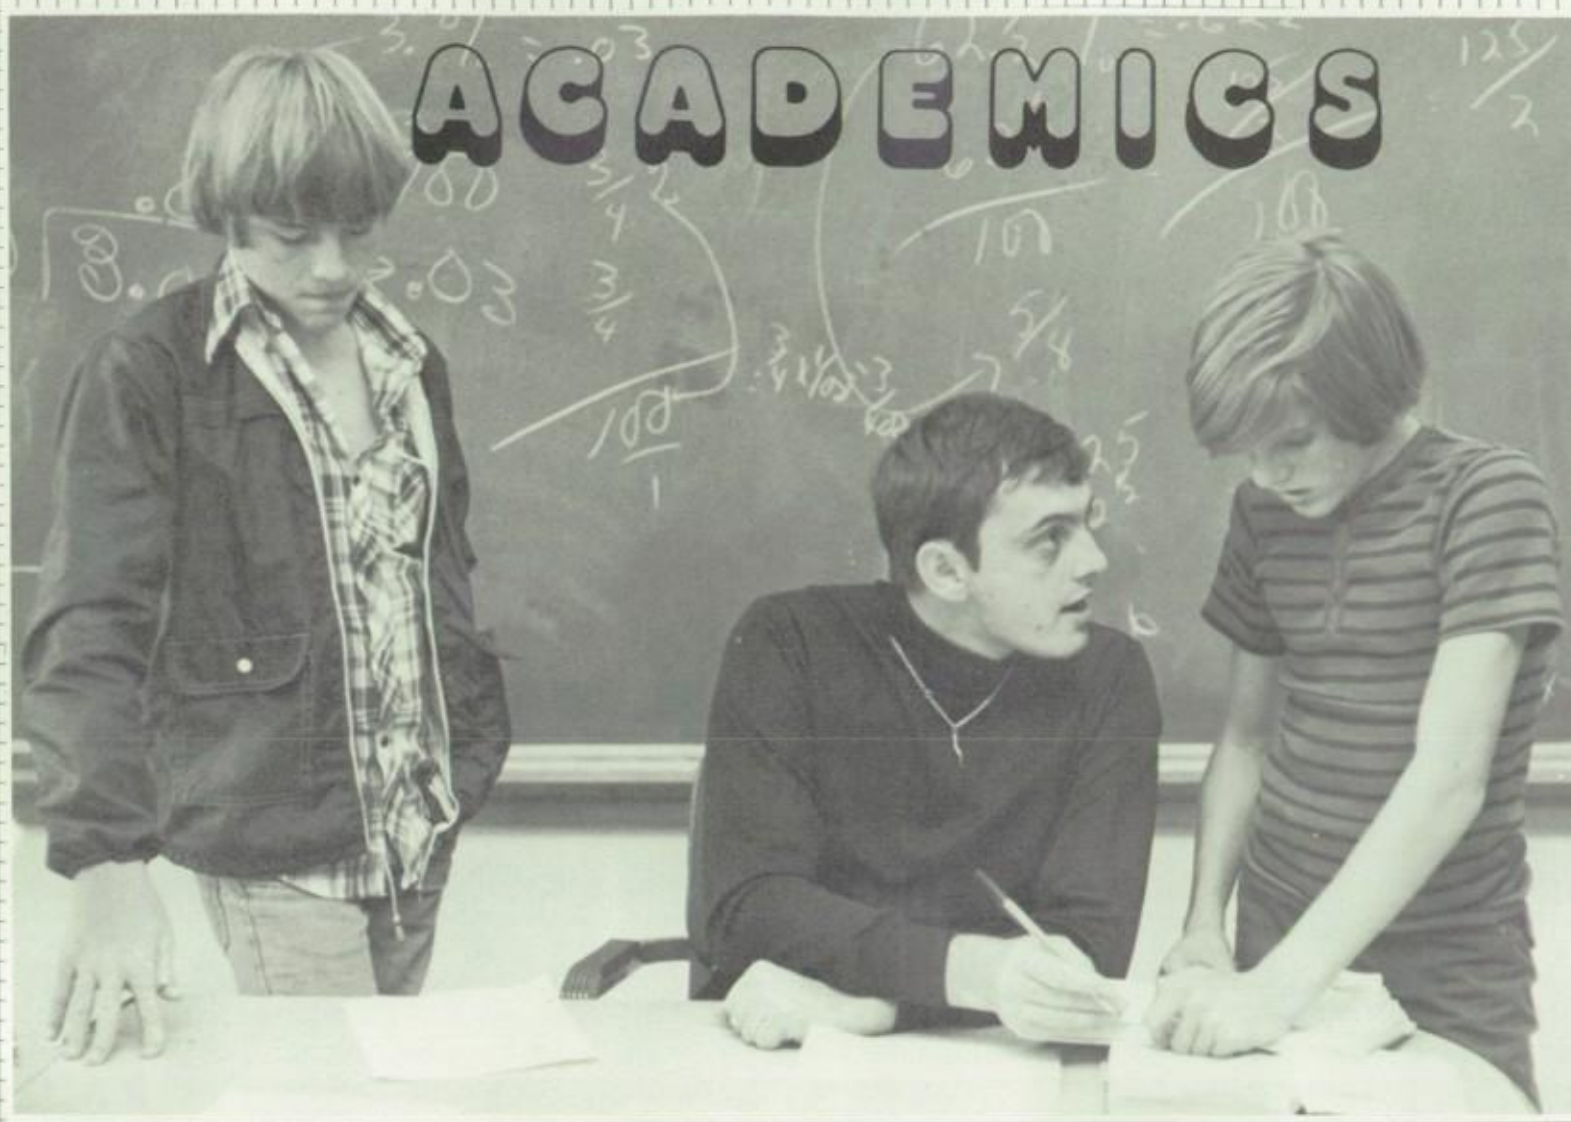

CWT Expands To Two Groups

The Cooperative Work Training Program expanded to two clubs, resulting from an increasing number of students. Miss Debra Canna was head of the CWT 2.

Among their activities, CWT sold fruit and Christmas candles. Donating twenty-five dollars to the Boys and Girls' Club Thanksgiving Drive was perhaps their largest merit of the year.

The art department had several exciting experiences during the year ranging from art shows, to exhibiting student talent in sculpture, painting, drawing, ceramics and design, to painting murals on classroom walls. The department also rendered its services to the OEA club by creating a design and screening it on 50 T-shirts for a campaign. Mrs. McCambridge was the department chairman and organized the section.

The music department, headed by Mr. B. Cwik, endured many changes. By participating in band, students next year will be given two credits per year, solid credit. Band members could also listen to "beginning" sounds as new music lovers indulged in Beginners Band. The vocal section of the department could usually be seen doing breathing drills and practicing for upcoming concerts. Music theory students enjoyed creating their own tunes and conjuring up new chords, rythms, and beats.

Hypnotist Intrigues; Elections, Trials Enlighten Students

Psychology students were left spellbound after their sessions with a guest hypnotist. Less enchanting, yet still stressing spelling, were the usual term paper assignments.

Famous explorers, church reformers, musicians and Renaissance artists were discussed and reports were presented on their accomplishments.

In an election year, students were enlightened as to the use of various voting machines and techniques. Mock elections became a part of class work.

Trials were examined by Political Science classes with students divided into groups of defense, prosecution and the jury. Their objective was to analyze the facts presented and to arrive at a justified verdict.

Math Becomes A Requirement

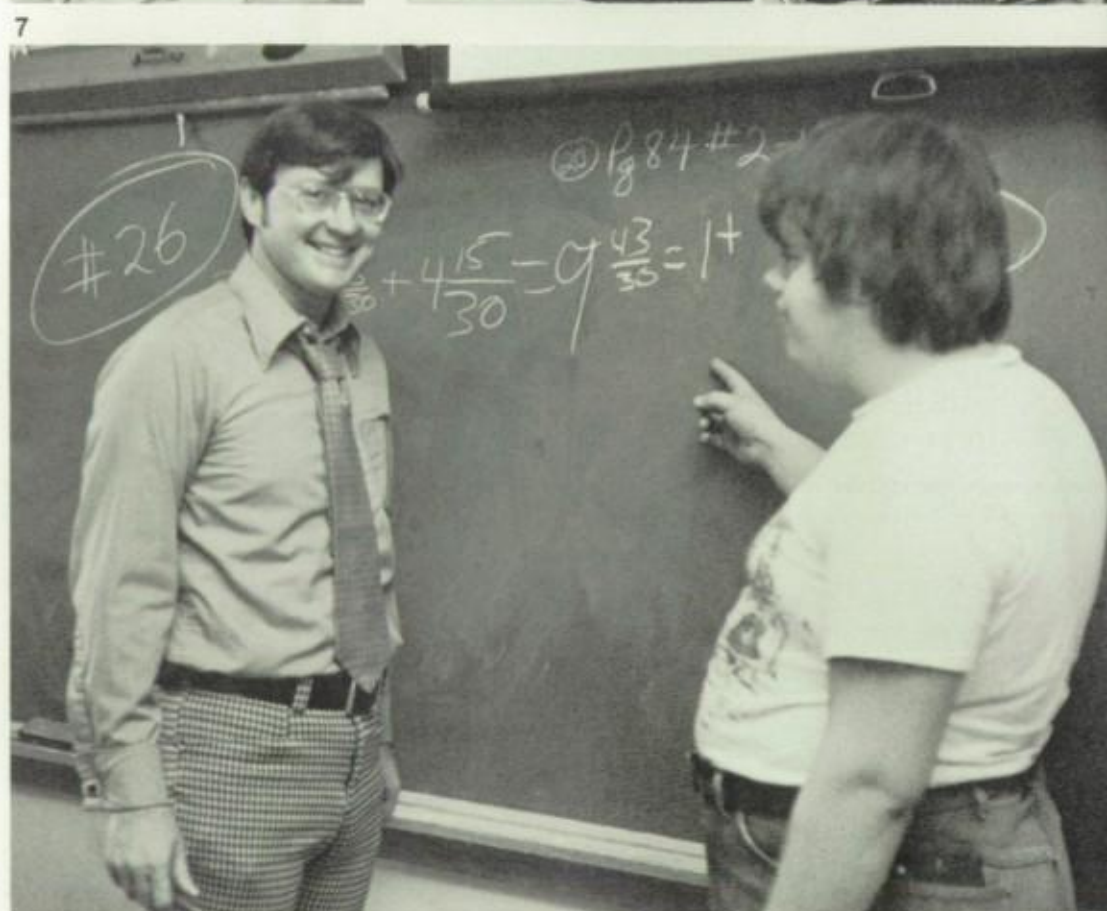

The Math Department had few changes this year, but though they were few, one was a major change in the math courses. The incoming freshmen for the 77-78 are required to take two semester hours of Math in order to graduate.

There were also a greater amount of supplies and equipment for the student to utilize.

Unfortunately the students were not counseled into higher mathematics. The computer math program also worked very well, but there were not enough machines to go around.

The Math Department also gained a new teacher, Miss Mary Forkel.

Students Achieve

Young business men and women stressed accuracy in all fields of business. Learning on a manual typewriter for the first year, many gained the basic fundamentals of the keyboard. Advancing to Typing II meant gaining faster speeds on an electric machine and performing routine office duties. Office Practice enlightened still another part of the business world for seniors as they operated calculators, transcribed dictaphone belts, and filed. Accounting classes enjoyed working through a practice set designed to include real-like transactions, while shorthand students mastered speeds of up to 130. Lynn Kokesh, Laura Schuster, and Joel Moore were chosen as the outstanding business students.

Center, Home Ec Emphasize Training

Shop students were able to use the facilities of the new Vocational Center, built to aid both North and South schools. T.V. repairs, welding, and auto mechanics were courses offered at the center. Freshmen enrolled in specialized, not general courses.

The Home Economics department also had some new programs including organizing an employment service, which will be patterned after the vocational clubs. During the year, it was not uncommon to see a girl in the shop classes and a boy in the Home Ec. department since Mrs. M. Phillips arranged the switch.

Change In Policies, Positions Plague Faculty, Students

Administration at North began the year by changing final exam policy, which resulted in all students participating in exams and counting them as one fourth of their grade.

Just before mid-term graduation, Mr. David Hamblin, superintendent of District 215, was dismissed from his job by the school board. Principal Paul Radziejewski became interim superintendent until the position could be filled.

The school board also proposed the elimination of department chairman positions. Six administrators, who will have non-teaching positions, are to replace the chairmen next year.

Counselors Quell, Answer Questions Of Irate Seniors

The counselors, along with their directors, Mr. Raymond Hess, helped to calm some irate seniors. Because of a change in administrative policy, students found that they would have to attend school from 8-3 unless they were enrolled in a work-training program.

Counselors also provided necessary guidance for students seeking individual help. They aided college-bound graduates seeking financial assistance and helped those looking for job information.

A tutor-training program with high school students doing much of the teaching was held for grade school kids. The program was under the direction of Mrs. J. Kendricks and the cooperation of Title I.

The library provided the necessary research materials for students writing term papers and doing book reports as well as served as a room for study halls.

Winning the SICA East Conference tournament was not enough for the Sophomore Golf Team to hold the title because their season's point total was not high enough. Trial, Error Fill Trotter's Year

The TF North Cross Country team had a season full of trial and error. The team was off and running, but it seemed as though the runners had taken a turn for the worst. Even with all the hard work and dedication put forth by the team, the strutters just couldn't seem to get off on the right foot. The varsity team had an overall record of only four wins, one of which was a forfeit. The trotter's placed third in the conference meet at Rich Central. The captain of the varsity team, who was also the recipient of the most valuable player award, was senior, Paul Krueger. The most improved player was senior Joe Brown.

The frosh-soph team also had a lot of spunk, but they too ran into some troubles and finished with an overall record of four wins, including one forfeit. The frosh-soph team captain was Jack Krueger. Jack also received the team's most valuable player award. The team also awarded Mike McNamarra the most improved player award.

Injuries Hurt Team; Individual Credits Heal Wounds

"We played with a lot of pride. Injuries played a major role in our season. The seniors provided good leadership never giving up and getting good support from the juniors." stated Head Varsity Coach R. Tomczak.

The season didn't bring honor to TF North in the form of a championship but did honor the school with scholarships for many players from universities as near as Purdue and as far as Northern Michigan University.

There were individual accomplishments of high esteem such as Most Improved, John Kelly and Dan Bolda; Leading Scorer, Charles Antonietti, Mike Foote and Al Kalemba; Most Tackles, Charles Antonietti and Most Team Spirit, Roger Shelton.

Several major area publications recognized Joe McDermott as All Area, Honorable Mention and All Conference. Curt Hatfield received Special Mention and Charles Antonietti won All Conference, Honorable Mention and All Area Honorable Mention.

Joe McDermott was selected to play in the High School East-West All Star Game in August sponsored by Illinois High School Coaches Association and Shriners. This will be the third straight player that has participated from Coach Tomczak's Meteors.

Tough Play Repays Conference Dividend

Playing tough throughout the year paid off at the end for the Freshmen football team as they took the South Inter-Conference Association (SICA) East crown in both the "A" and "B" divisions.

With a 8-1-1 record, the "A" squad, under Coach Bob Frankowiak's direction, scored an overall 259 points for the season, while their opponents scored 74.

Coach Richard Dougherty led his "B" group on to a 8-0-1 year. TF North's defensive plays were successful, and as a result, opposing teams scored only 52 points the entire year.

Most Valuable Player awards went to Tim Mecha for the "A" team and Kevin Dermody for the "B" team.

On the Sophomore level, Coach Bob Richards' boys put on a respectable season as they finished the campaign with a season finish.

The team was quite emotional in the Rich Central game as they battled through the four quarters. Overall, they finished with a 6-3 record. The sophomores played .500 ball in conference action and were 3-3.

Most Offensive Lineman was Mick Matrenac, and Brian Carragher was chosen Most Defensive Lineman.

Another record made by Dutczak, Dave Biegel, Dave McCambridge, and Walter Dutka was in the 400 relay with a timing of 4:34.6.

Doug Bolda and Randy Wierzbicki captained the Varsity to a rather disappointing 3-11 finish.

Randy captured the Most Valuable Swimmer award while Rick Belka took the Most Improved title.

Some of the teams' losses were attributed to a lack of summer programs which would keep swimmers in top shape according to Coach H. Westendorf.

Candy Sales Aid Unsupported Hockey Team

Taking to the ice with enthusiasm, if not sanction by the school, the North All Stars Hockey Team skated to a win over their first opponents, Thornwood 2.

The team was lead by Bernie Prisby in their second encounter against Rich Central with Prisby scoring all three goals, however, the Stars went out 9-3. Prisby tallied five times in the first two matches.

Coached by Mr. Bill Watson, the icemen cut a rather shakey record of 1-4 after their first five games.

Candy sales netting over \$1000 helped to pay for the costs of equipment and play which averaged over \$200 per player. A skate-a-thon held at Omni 41 rink raised additional funds.

The teams' veteran players were, Gerry Burczyk, Jim Woolf, Tom Jackovich, Mark Zlotkowski, Al Kalemba, Mike Kijewski, Ed Prskalo, Mark Polus, and Tim Czyzniewski.

Varsity Mascot Tracks Seven

Varsity trackmen finished seventh out of seven teams at the SICA East conference track meet held at A.A. Stagg in early May.

Joe Kaszak, Varsity member, set a new school record in the 330 yard low hurdles in the time of 41.7 seconds.

Seven seemed to be the teams mascot. Not only did they finish seven out of seven teams, but there were only seven men on the team.

1. Trying to reach his goal in the long jump is E. Lathrop.
2. Attempting to pass Stagg relay runners are C. Hampton and G. Banicki.

Matures; Jumper Makes Record

While the Varsity Track Team was having problems with low turn out, the Frosh-Soph Team had plenty of support but they lacked a refined skill. As the season progressed, the underclassmen let their abilities mature which resulted in a fourth place rating at the AA Stagg meet.

Bob Hewitt performed extraordinarily by jumping 38'9" at the Stagg Sophomore Relays.

Beating Rival, Girls Travel Down State

The girls' Badminton team was in excellent shape this season winning many games as well as losing a few. Senior, Jill Becich, kept the team soaring high during the low points with the assistance of Miss Cammert, coach.

Repeating their triumphant glory from last year was the girls' Bowling team. In early February they won in Districts, against heavy rival, TF South, and travelled down state in mid-February.

At state competition, the girls made it to the second round before being eliminated. It was the team's fourth trip to state in five years.

Swim, Tennis Start Program

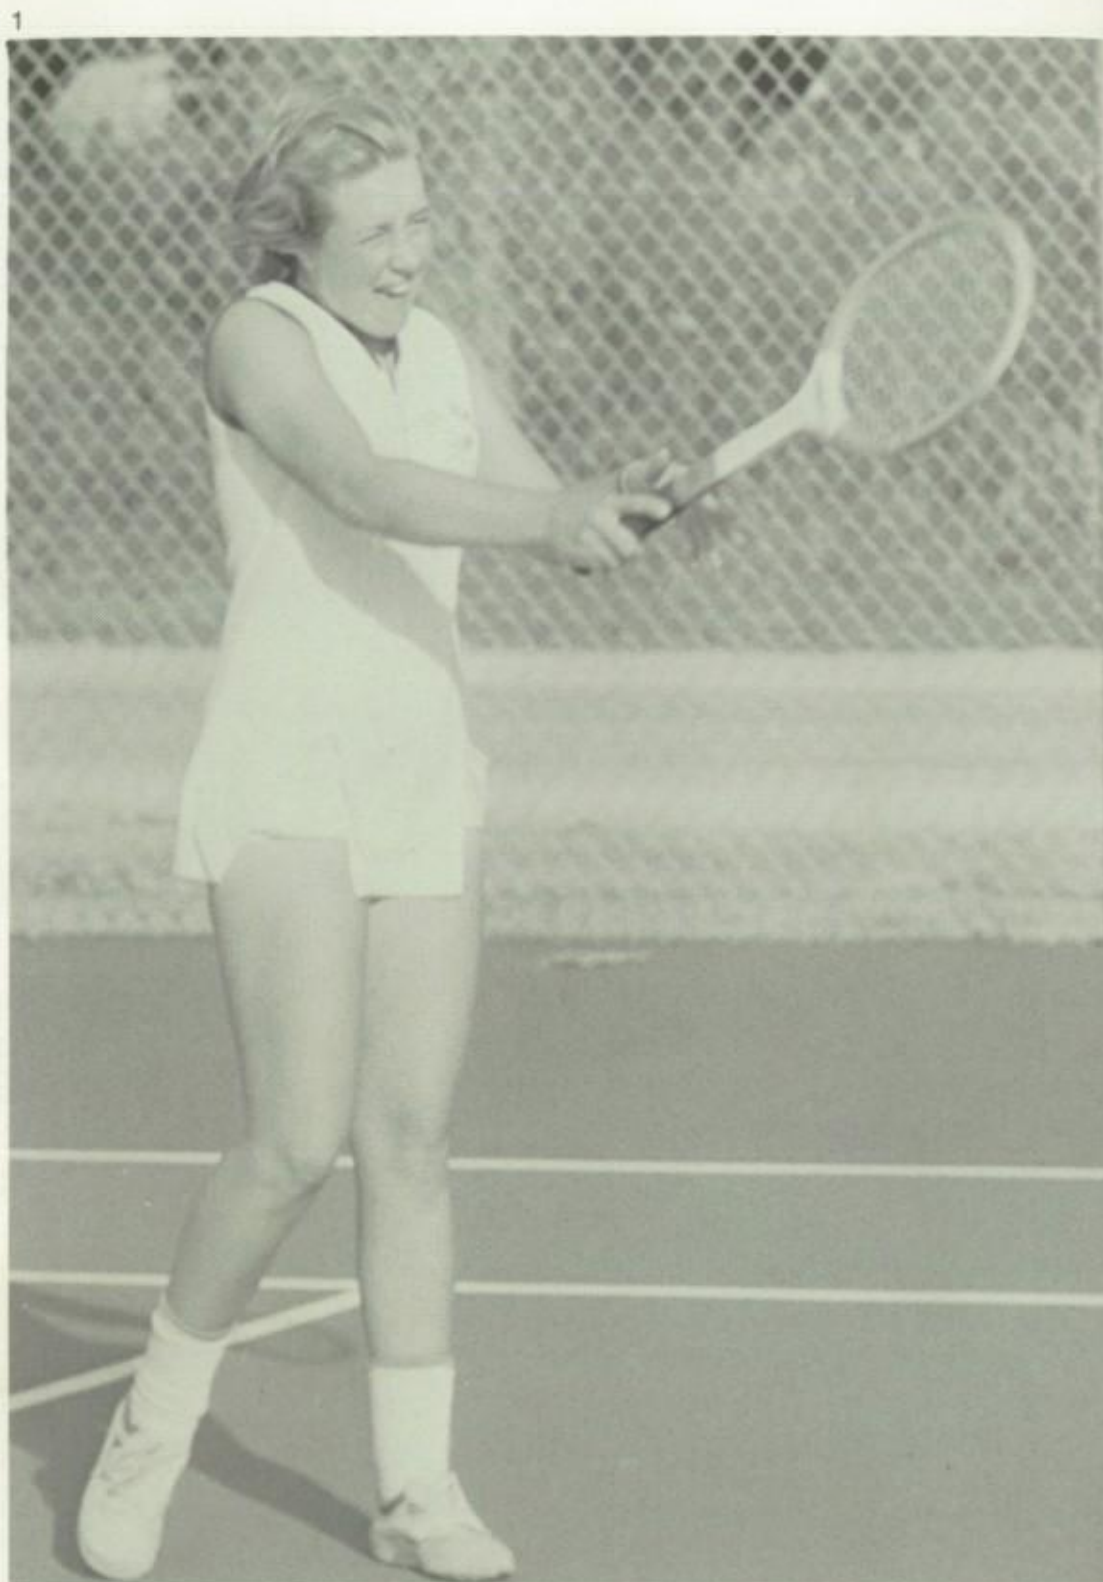

The girls swim team swam up against some stormy opponents in a highly competitive season. The girls didn't start out strong because of lack of a turn-out for the team, however, they did keep up a strong spirit of teamwork.

Another handicap the water athletes had to meet was the increasingly small attendance of spectators. The tankers finished with a record of 0-7 in conference and 1-11-1 overall having tied Bloom early in the season. This was an improvement over last year's record because the team won two more meets than the previous year.

The Girls Tennis team had a really smashing season. Head Coach Mrs. P. Kosiba said that they were a young and steady team. The tennis team is made up of three levels: the "A" or Varsity team, "B" or Junior Varsity team, and the "C" team. The team had an exceptional turnout and thirty-one teammates were chosen.

The Varsity and Junior Varsity had strong seasons illustrated by a 6-6 overall record. The Varsity girls finished with respectable a 2-3 conference record rating them fourth in conference.

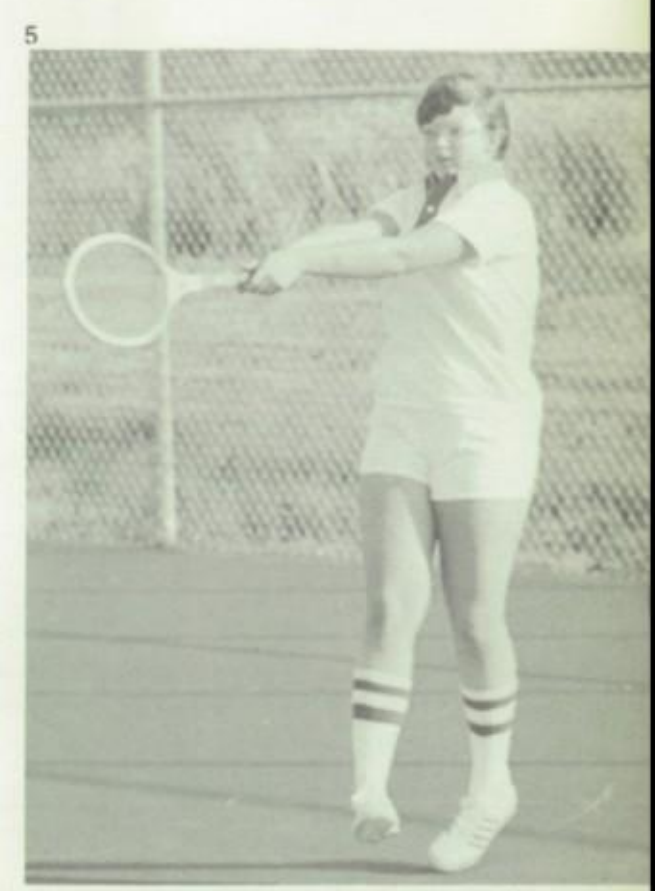

The season was an extremely good one as far as individual merit goes. Sue Nanista, Nancy Hall, and Sandy Bartczak made it to the semi-finals of districts. The team finished third on districts. Judy Hamilton and Donna Martin picked up silver medals for taking second place in the conference doubles.

Teams Lack Confidence, Support

The girls' Volleyball season was finished with a record of 4-10 for Varsity and 5-9 for Junior Varsity. The team volleyed well during the season but lacked confidence and support.

The female Basketball team bounced off with a slow shot, losing most of their games. However, the team did possess two stars, L. Kline and V. Braun who were named as Conference All Team players by the SICA East Coaches.

'Pro's' Win Locally, Travel Down State; Doubles Take One

A trip down state was one of the highlights of the Varsity tennis team's performance. The players won districts which netted them the opportunity to participate in state competition.

Doubles' stars, Kent Kamradt and Glenn Nakoff, played and won their first match giving the team one point. They lost in their second encounter, however. No one else won any matches or additional points for TF North.

In SICA play, the Varsity placed fourth while in the Richards Quadrangular, they captured first. Their overall record was 9-9.

Other individuals who received recognition were Ted Johnson and Dave Wontor who were second in Conference and third in District doubles. Gary Todd also earned third in District singles.

1. T. Johnson volleys with D. Wontor in a practice session before a meet.

2. VARSITY TENNIS TEAM—**Bottom Row:** P. Kryszyn, G. Nakoff, K. Kamradt, R. Asher. **Row 2:** D. Wontor, G. Todd, Coach B. Bacys, T. Johnson, D. Riel.

Frosh-Soph Capture Conference

Capturing first place in SICA east play, the Frosh-Soph tennis team made good use of TF North's new courts. Another first was tallied by the racketmen in the Richards Quadrangular.

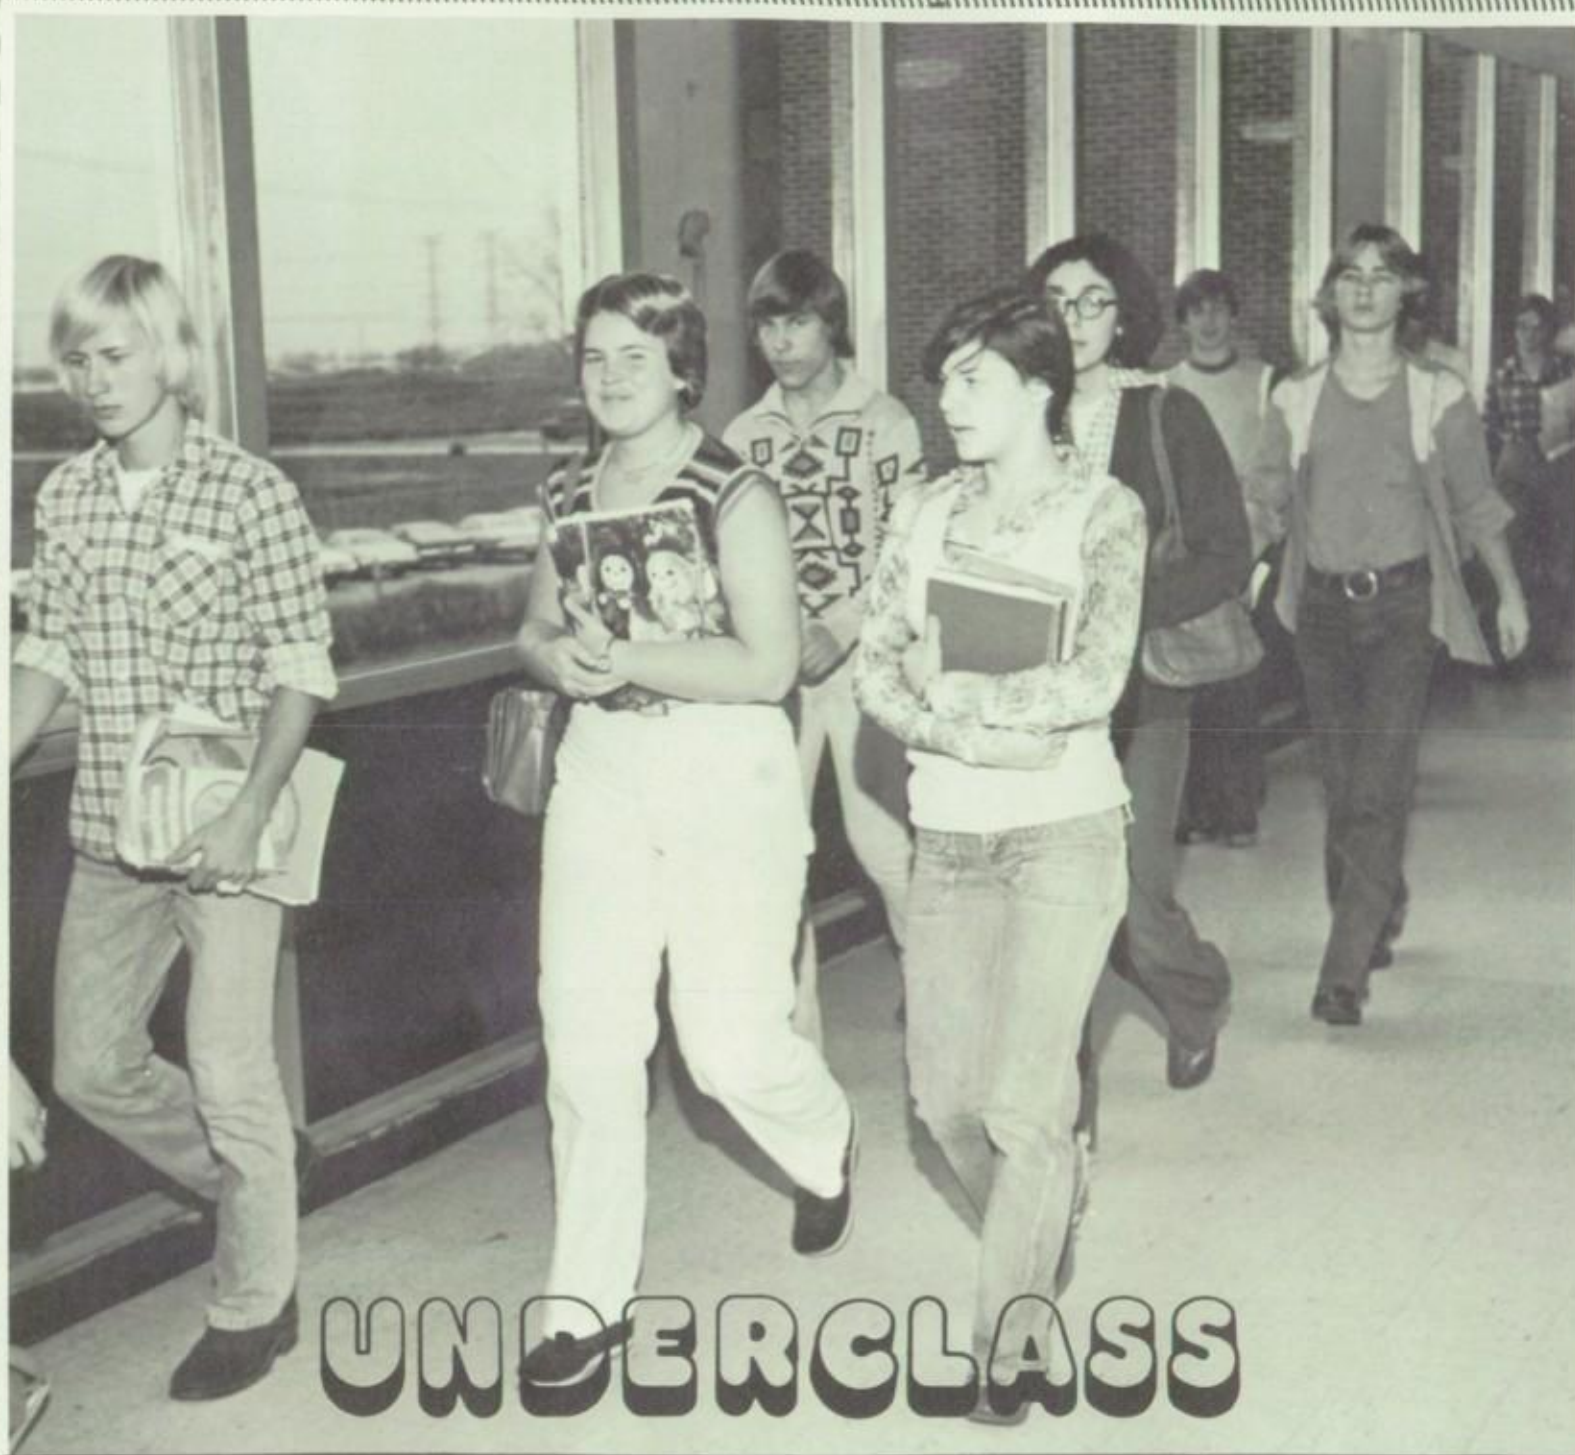

A season total of 9-9 was recorded for the team. Joe Dexter and Steve Prskalo netted their own merit winning first place in Conference doubles. In single competition Alan Kristy put his name in the books taking second in his event.

1. Exercising his forehand is J. Porter.
2. S. Prskalo watches as J. Dexter returns a serve.

Soph's Open Cabinet

The Sophomore class cabinet's first official act upon returning from summer vacation was the election of the new officers: Sharon Taylor, President; Melanie Whitmer, Vice President; Alice Escalante, Secretary and Karen Todd, Treasurer.

The remaining members of the cabinet, Brian Carragher, Brian Blackburn, Lori Lasocki, Dawn DeJarlis, Gregg Rose, Toni Long and Steve Wartman aided the officers with guiding the class of '78.

The cabinet was kept quite busy throughout the year with various fund raising projects such as bake sales and the selling of tote bags. The class also joined in the annual Homecoming activities by creating a car for the parade.

Juniors Busy, Make Money

The class of '78 found themselves busy with many projects. Juniors participated in the annual Homecoming activities by entering a float, having a Halloween bake sale, sewing for a Christmas stocking sale and taking charge of the annual Junior-Senior Prom.

The Juniors' board consisted of ten members who chose Sunday, May 29, as the date for the TF North Prom. Ramada Inn in Dolton was the site selected for the event which was based on an island theme.

Mr. B. Cwiklinski's band entertained the couples as they enjoyed a dinner of Roast Beef Au Jus, salad, potatoes and a vegetable.

The future Seniors also participated in the Junior-Senior awards assembly held after the Senior breakfast on June 3.

Led by President Joel Moore, Vice President Charlie Colella, Secretary Bernadette LaBanca, and Treasurer Lenora Dutczak, the seniors planned many activities to add spirit throughout the senior class. With the new government system, six cabinet members were also elected to represent the class. Sherry DeRolf, Debbie Majerski, Karen Paliga, Therese Papa, Donna Pieczonka, and Debbie Vomish helped the officers in winning second place for their float, "Meteors Reign Over 50 Years," in the annual homecoming festivities.

Seniors sold coke and hot cocoa at all the home football games and Coke and Sprite at basketball games. Having a senior activity each month proved successful as the group sponsored a Teacher Appreciation Day on December 15, midterm graduation on January 27, Powder Puff football, Senior Trip, Senior Week and June graduation.

Mrs. Irene Emmert and Mr. James Smith sponsored the class of 1977 and guided them through the year.

AL WARTMAN

Georgia, Marquis Highlight '77 Class

Thirty seniors enjoyed a four day excursion to Atlanta, Georgia from May 19-22. Tours of Stone Mountain, Underground Atlanta, and typical southern plantations filled the time when swimming, sun bathing and being rowdy were not scheduled. The group flew down on Thursday evening and because of a cost of \$180 a limited number of students participated. The week after Prom was designated as Senior Week, and "77" classmates attended Great America Amusement Park, Lincoln Park Zoo, Ramada Inn for a splash party, and Senior Breakfast with a hypnotist and a handwriting analyst. Following Senior Week activities, students prepared for Graduation exercises on June 9, 1977. The class of '77 was very financially sound and managed to present TF North with a marquis for school publicity.

2. T. Papa and C. Collela enunciate their names, but find a spell of stuttering concured by the hypnotist at the senior breakfast.

3. Mr. J. Smith learns it's easier to take a leap when J. Folsom and G. Banicki are in the vicinity.

4. A most attractive hostess, P. Burke, hands L. Dutczak the "Most School Spirited" award at the "Emmy Awards" fashioned assembly.

2. Several seniors join chorus groups, and M. Woklgemuth entertains the audience with a religious selection.
3. Mr. Ciastko and Mrs. Emmert "keep track" of seniors on all senior week activities with the aid of Mr. Smith, Mrs. Smith, Mr. Whalen, Mrs. Freyman, Miss Drilling, Mr. Munda, and Mr. Hakes.
4. "Hi there", says Mr. Cope, ready to take off for a treacherous ride on Great America's "Scrambler".

Students Keep Track Of Past

"Keeping Track," the theme of the 1977 Chronoscope, portrays the rising modern musical society and how many things can be associated with an 8-Track.

People keep a schedule of events every day by referring to a calendar. By using a watch, clock, or the sun, people locate the correct time of day. Students must keep account of grades by a report card system and carrying an ID assures proper identity.

Remembering such scenes as Mr. Munda patrolling the halls with walkie-talkies, and teachers guarding visitors from passing through the halls will hold a special place in our minds. Twelfth graders sitting and gossiping at "Senior Bench" and running to their 8:15 classes was another frequent sight. Freshman could be seen struggling from class to class and being ridiculed by upperclassmen also.

Like an 8-Track tape, life as different parts and is on continuous play. Whether it be college, military service or employment, one must enjoy his career. Only when the tracks permit, will your future path change. Choose carefully a career and spare no goals.

2. As the Chronoscope draws the year to an end, a typing student also finishes the year with a sleepy-clean typewriter.

3. Robots C. Colella and M. Ditore "keep track" of dance trends as they perform a stary-eyed version of a disco tune.

4. "Lets get rowdy" was a popular chant, especially by kicking "Camp Granaders."

2. L. Dutczak, editor-in-chief, crops a picture on the new "Light table."

3. CHRONOSCOPE STAFF—**Bottom Row:** J. Adamovic, D. Barborek. **Row 2:** L. Dutczak, C. Zdanowski, J. Moore.

4. C. Zdanowski, underclass editor alphabetizes sophomore I. D. pics.

As the Chronoscope draws to an end, I would just like to say thank you to everyone who made this book a reality. An editor-in-chief is a nice title, but it comes with much responsibility, which at times was more than I could handle. Producing a yearbook is a tough job, and the 1977 edition would never have been bound if not for Chet Zdanowski, Joe Adamovic, Denise Barborek, and Joel Moore. These four people deserve more than just a thank you because without their help, there would only have been chaos. Without Mrs. Stan, our advisor, there would have been no finished book, for she pushed us to achieve our ultimate goal. We owe many thanks to Mr. Gilgenbach, our representative from Inter-collegiate Press for printing the book and understanding our late deadlines. Root Photographers will never begin to know how much we appreciate their services.
